LOGIN PAGE – VALIDATION TEST

A validation test occurs if input entered is incorrect. The regional coordinator can then try log in again.

The screenshot shows a web browser window with the address bar displaying `sict-iis.mandela.ac.za/login`. The page header features the NDOLULELE ISANDLA logo and the text "YOUTH DEVELOPMENT CENTRE". The main content area has a green background. In the center, there is a white login box containing the NDOLULELE ISANDLA logo and the text "YOUTH DEVELOPMENT CENTRE". Below the logo, there is a text input field containing the email address `nobantundlovu@gmail.com`. Below the email field, there is a password input field containing seven asterisks (`*****`). A red border highlights the password field, and a red error message below it states: "Password entered is incorrect. Please try again." Below the password field, there is a green "LOGIN" button. A mouse cursor is hovering over the "LOGIN" button. Below the button, there is a link that says "Forgot your password?". The footer of the page displays "Copyright 2021 | HQ. Soft ©".

The system first alerts the **regional coordinator** that they are about to log out. This is to ensure that they are aware of their action.

CONCLUSION

The storyboard covered a high fidelity overview of how the regional coordinator interacts with our Youth Development Management system.

Thank you for taking the time to go through our regional coordinator storyboard!
